2024 Election Days:  
**Tuesday, March 5th**  
**Tuesday, November 5th**

Your ballot will be mailed to you one month in advance. Be sure to vote early!

**Is your neighborhood safe?**

**Can you afford food, gas and other basic necessities?**

**Is your local public school teaching students the skills they will need to compete in a global economy?**

If you answered "no" to any of these questions, then vote to change the legislators who represent you in the 2024 election. Otherwise, nothing will improve.

*"I want to hear from you. In addition to the issues listed above, I want to know how homelessness is impacting your neighborhood, and what you think about California's current approach to immigration. Your views are important to me."*
